# "The Laryngectomy Guide" - Bosnian Edition

Itzhak Brook

Dear Editor,

I am happy to announce that "The Laryngectomy Guide" Bosnian Edition is available now in paperback and eBook. The eBook is FREE. The translation from English was done by Dr. Nermin Hrnčić, and Dr. Haris Hatibović from the Ear, Nose and Throat Department, Cantonal Hospital Zenica, Bosnia and Herzegovina.

The Guide provides practical information that can assist laryngectomees with medical, dental and psychological issues. It contains information about side effects of radiation and chemotherapy; methods of speaking; airway, stoma, and voice prosthesis care; eating and swallowing; medical, dental and psychological concerns; respiration; anesthesia; and traveling.

The American Academy of Otolaryngology Head and Neck Surgery made the English edition available for free download on their website: <http://www.entnet.org/content/laryngectomy-guide>.

E-book of the Bosnian version of the Guide is available free at : <http://bit.ly/2V-vD0xh>.

Paperback copies of the Guide are available at: <http://bit.ly/32zu4bP>.

The guide is also available in 20 additional languages—English, Russian, Turkish, Greek, Italian, Bulgarian, Romanian, Arabic, Spanish (4 styles), Portuguese, French, Persian (Farsi), Korean, Japanese, Filipino, Indonesian and traditional and simplified Chinese. <https://dribrook.blogspot.com/2018/08/the-laryngectomy-guide-is-available-in.htm>.

I hope that the Guide would be helpful to laryngectomees and their medical providers in Bosnia.
