Section 3: Acknowledgments. By signing below, I acknowledge my acceptance to and/or certification of the following information.

✓ Approval of the Submitted Work and Acknowledgment of Corresponding Author’s role. The manuscript represents original and valid work and I have personally reviewed and given final approval of the version submitted, and with the exception of previously published work or data which is clearly acknowledged in the manuscript and for which appropriate written permission is included as part of the submission, to my knowledge, neither the manuscript nor its data have been previously published (except in abstract) or are currently under consideration for publication by any other publication. I agree to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved. If requested, I will provide the data or will cooperate fully in obtaining and providing the data on which the manuscript is based for examination by the editors or their assignees. I agree that the corresponding author (named above) will be the sole correspondent with the Editorial Office on all matters related to this submission. In the event of acceptance, I designate the corresponding author as the responsible party for all communications with the journal’s publisher related to this work, including review and correction of the typeset proof. I understand that once a manuscript is submitted, no substantial changes to the content will be allowed.

✓ Authorship Contribution. I have participated sufficiently in the work to take public responsibility for all or part of the content, and have made substantive intellectual contributions to the submitted work in the form of: 1) conception and design, and/or acquisition of data, and/or analysis of data; and 2) drafting the article, and/or revising it critically for important intellectual content.

✓ Conflict of Interest, Disclosures, and Financial and Material Support. To my knowledge, all of my possible conflicts of interest and those of my co-authors, financial or otherwise, related directly or indirectly to this work are clearly and completely indicated, and all grant or other financial support, as well as any material support, is listed in the appropriate sections of this manuscript.

✓ Copyright Transfer. I agree to transfer copyright to the Psychiatry and Behavioral Sciences upon acceptance of this submission for publication in the journal. I authorize the corresponding author to sign the Journal Publishing Agreement on my behalf.
